COVID-19 Essential Employee Child Care

To help Tennesseans move forward during the COVID-19 emergency, DHS is increasing access to child care at no cost for Tennessee workers who are providing “essential businesses and services.”

This child care is available through payment assistance with licensed child care agencies and a partnership with Tennessee YMCAs and Boys & Girls Clubs.

- **How do I know if I'm an essential worker who is eligible for these supports?**

For purposes of the child care payment assistance program, essential workers are: Employees of a healthcare entity, Law Enforcement, First Responders (EMS, Fire Departments), Corrections Officers, Military, Activated National Guard, Human and Social Services Workers, Postal Workers, Transportation, Restaurant and Grocery Workers. Parents seeking care at a YMCA or Boys & Girls Club temporary location should contact the facility in order to verify eligibility and to register their child.

- **Do parents of children of all age groups qualify?**

Families with children under the age of 13 are eligible for this program. Families with children older than 13 that are: **a)** under court supervision or **b)** mentally or physically incapable of self-service also qualify for this program.

- **Are there income restrictions for these programs?**

These programs do not have income restrictions.

- **How do I apply to receive COVID-19 Essential Employee Child Care Payment Assistance?**

Parents who meet the definition of essential worker as listed above can apply online at:

[Tdhs.service-now.com](https://tdhs.service-now.com)

- **How do I apply to take my child to a YMCA or Boys & Girls Club temporary care location?**

Essential employees with school-aged children who need care will be able to register at YMCA and Boys & Girls Club locations and access care at no charge, during the COVID-19 state of emergency. As they are established, you will be able to see a listing of temporary care locations here <https://www.tn.gov/content/tn/humanservices/covid-19.html>.

- **How long will the application take to process?**

Typically, an application for child care payment assistance will be processed within about a week. Upon receipt of the application, a DHS team member will contact you within 2 business days if the verifications needed are not attached and request necessary verifications. If an application is received with all verifications, the eligibility process will be completed within 3 business days. *Please note: to protect the health of customers and staff, DHS offices are not open to “foot-traffic” during the COVID-19 emergency, but staff are available by phone.*

- **How will payments be distributed?**

After an essential employee enrolls in the child care payment assistance program, DHS will make arrangements to pay for child care at the DHS licensed program where the child is served. A list of licensed child care providers with capacity to enroll children is available at: <https://www.tn.gov/humanservices/covid-19/child-care-services-and-covid-19.html>.

- **How long will this program be available?**

Essential Employee Child Care Payment Assistance will be valid through June 15, 2020.

Our essential care center is open for business!

We're here to serve this community

To serve those on the front lines of the COVID-19 crisis, we have worked closely with our own medical advisor and local authorities to reopen our learning center. Our first responsibility is keeping you and your family safe, and we've introduced new safety measures to make sure we can continue to do so in these challenging times, including:

- Checking everyone's temperature at the door
- Staggered drop-off and pick-up times
- Health and safety training for our teachers and staff
- Temporary suspension of our family dining program

Are you an essential worker who needs care for your children? We're here to support you while you work hard to see us all through this crisis.

THANK YOU

Thank you for your interest in supporting the Franklin Special School District community. We understand that the extended school closure and COVID-19 will create hardship for many of our families. FSSD is actively working to meet the current and future academic and functional needs of our students—and always is! Please feel free to direct your support however you wish, below is a menu of what we feel like are some effective giving options. In the event that some donations are not distributed, they will be donated to community serving agencies or carried over for distribution in the next academic year.

SOCIAL WORK BENEVOLENCE FUND & GIFT CARDS

You can make donations directly towards the Social Work Benevolence Fund and/or by donating gift cards. Suggested gift cards include: Visa Gift Cards, Gas Cards, Kroger Cards, or Walmart Cards. All donations will be used under the direction of the FSSD District Social Workers (Amanda Fisher, K-8 and Marlene Vergara, Pre-K) and accessible by ALL eight FSSD schools. These donations will help cover the direct needs of some of our FSSD families in light of the impacts of the COVID-19 and beyond. To donate in this way, write checks to “FSSD” with “Social Work Benevolence Fund” in the description.

MASKS

FSSD is in need of fabric masks to be used by our essential workers. If you are able to sew and are willing to donate the masks, please contact the District Nurse at fisheramy@fssd.org.

FOOD BOXES

FSSD's Child Nutrition Department has the ability to continue serving meals Monday-Friday. We rely on community partners to alleviate food insecurity over weekends and breaks year-round and we will continue to do so during the extended school closure. However, for families who are experiencing greater hardship, we will be happy to accept donations of food boxes and deliver them to those in need.

Suggested items: individual snack-type items, granola bars, crackers, fruit cups or cans, juice boxes, dry rice or pasta, spaghetti sauce, cereals, oatmeal, boxed mac and cheese, vegetable oil, paper towels, toilet paper, cleaning supplies, home activities, and more. *All items must be non-perishable and we encourage that you pack items in a plastic storage container.

COMMUNITY PARTNERS

Beyond the walls of FSSD, our district relies on the support of our community partners like (but not limited to) GraceWorks, One Generation Away, NOOK (Needs of Our Kids), Path Project, Franklin Housing Authority, and United Way—all in the effort to alleviate food insecurity. You may feel inclined to direct your giving through these wonderful agencies.

LOCAL AGENCY OR BUSINESS SUPPORT

It is amazing to see the generous response of our community. If you or your business is offering support to the public in any way, we would love to consider helping push out that information. Please email the information and details to Amanda Fisher (FSSD District Social Worker, K-8) at FisherAma@fssd.org.
